TOUGH TRICK

Heather Thomas is one tough trick because she doesn't do it with just anybody. He's got to be hung and ready to put in an hour or two. But she's so sexy and beautiful, she gets away with it.

They want to screw this long-haired lovely, just to get
a chance of those perfect tits. But Craig Roberts, who
measures her beauty's worth. His dick is up to all of her tricks.
The problem where she puts him he performs like a jock.

She wants all of that dick and she wants it now. Heather keeps bobbing up and down, in and out of different positions until Craig gets it right.

KING STUD

Ron Jeremy is the champion stud of all time. He has fucked more girls on and off the screen than anyone we know. How come? Because when a girl gets close to him and remembers the hard rod he's packing, she goes wild.

Erica Boyer is no exception.
She's had big dicks before, but
none that were attached to a
man who knew what to do with
it. She wanted this one.

And he gave it to her. Ron pinched her pussy until it was
ribs and ready for his thick cock, then slid himself in till he
reached to the top of her cum. Erica moaned softly and
begged for more. She wanted to feel all of his nine inches.

A color photograph of a man and a woman in a sexual pose. The woman, with curly hair and red lips, is positioned above the man, her body angled away from the viewer. She is wearing a blue thong. The man is lying on his back, looking up at her. In the background, there is a pink wall and a white decorative object resembling a stylized animal or a piece of furniture.

A few more jabs and even old
Ron couldn't hold back his load.
He had to give Erica her just
desserts. Right where she
asked for it.

A photograph of a woman with long dark hair, wearing a black lace lingerie set, leaning in to kiss a man's bare torso. The man is wearing light blue jeans and a white t-shirt. They are positioned in front of a weathered wooden wall.

**JOCK
HUNGRY**

Raven has this thing for jocks. She figures if they have great muscles in their chests, they'll have great muscles in their crotch. And she's usually right.

This one she picked up this day doesn't disappoint her. He uses his jogging muscles to push her up with his thighs and his cock muscle to finish the job.

The jock's long, thin cock makes a perfect paint brush for decorating Raven's tits with creamy white paint. They both got their daily work out and killed their home.

CROTCH WATCHER

Gina Carerra is a crotch watcher from way back. She always checks out that middle leg before she says yes. And she's seldom disappointed. This is Greg Rome, her tennis partner.

When he was guiding her through a tough backhand stroke, she had felt a lump in his tennis shorts. This made tennis no longer interesting and screwing of the highest priority.

Gine had a few lessons she wanted to give her instructor on pussy licking, nipple sucking, and all the rest. But first she needed to feel him inside of her. She wanted to screw the life out of him and then maybe take in some foreplay.

But all of that had to be saved for the second lesson because this one was a match game. His desire matched her lust and it was all over before it started.
